

## TOURNAMENT RULES & REGULATIONS 2022

### Tournament Format

- Each event will be a seeded, knock-out tournament, with matches being best of 3 tie break sets. Tie breaks are the first to 7 points (or 2 points ahead after 6-6).

### Tournament Rules

- All court bookings should be made according to the Club rules as displayed on the Club website. Normal court booking rules apply to tournament matches. No priority to tournament matches.
- Players should complete matches within the published round dates.
- If a player is unable to play the next round, the player should concede the match if they get to match point.
- Players who reach the semi-finals should concede if they get to match point but will not be available for the relevant finals day **and** reserve day.
- Players must provide their own balls except for the finals weekend.
- Players should email their scores to [tournaments@sheentsc.co.uk](mailto:tournaments@sheentsc.co.uk) and enter the result on the paper copy of the draw in the clubhouse as soon as possible after the match has been completed. If players have any problems doing this, they should contact the Event Organisers on [tournaments@sheentsc.co.uk](mailto:tournaments@sheentsc.co.uk).
- Players are asked to contact the Event Organisers on [tournaments@sheentsc.co.uk](mailto:tournaments@sheentsc.co.uk) with any queries or concerns regarding scheduling or results. If a match cannot be played within the draw date, the Event Organisers shall grant an extension if the circumstances causing the delay are reasonable, and if it does not inconvenience the opposition in the next round unduly. Extensions can only be sanctioned by the Event Organisers. If the match is still not played the Event Organisers and Tournament Referee will decide the result.
- Any questions or disputes that arise must be referred to the Event Organisers. If necessary the Tournament Referee will be asked for a decision on the matter and their decision will be final.
- It will be up to the players to agree which court surface they will play their match on. In the event of a disagreement on which court surface to play on, players, or the Tournament Referee, will flip a coin to decide.

**Event Organisers: John Walker/Rob Stanton**

**Tournament Referees: Paul Boffa/Mary Pat Rose**
